

Purify the Bride

In this dream I saw a big building with many stories (the Body).

As I walked into the bathroom (purification) half the bathroom on all floors broke off and fell down leaving huge areas exposed. A large group of ladies (the Bride) sat on the opposite side of the floors, in a exposed area, no wall left to surround them.

They were not startled or shocked or even surprised by the floors falling down, like they didn't even notice it they went about their day (life). Then I woke up.

I feel that God is saying His bride had not just neglected purity and purification but abandoned it to such an extent that it doesn't even shock her anymore to see compromise and to compromise. God I's saying it's time to get back to purification, holiness, being in this world but not off it. For the bride has forgotten purity, holiness, and the great price that was paid by the Master, the bride is making cheap the price that was paid for her by the Bridegroom and it's time to remember what really matters, preparation of the bride for her Groom.

1 Corinthians 6:19-20 Do you not know that your body is the temple (the very sanctuary) of the Holy Spirit Who lives within you, Whom you have received [as a Gift] from God? You are not your own, 20 You were bought with a price [purchased with a preciousness and paid for, made His own]. So then, honor God {and} bring glory to Him in your body.

Ephesians 5: 26 Christ's love makes the church whole. His words evoke her beauty. Everything he does and says is designed to bring the best out of her, 27 dressing her in dazzling white silk, radiant with holiness.
