

Pray for those who think themselves "intellectually superior" to Christians

Many think themselves to be "intellectually superior", claiming that Christ followers are "ignorant", yet they do not realise that it is their own humanism, hedonism, political correctness, apathy and compromise that has seared their conscience, causing them to not be able to hear the call of Love, Christ calling them into relationship and eternal life with Him.

Do not argue with such a person, for a seared mind cannot accept any words of Life, no matter how well spoken, only pray, for the Holy Spirit is the only one that can bring healing to their minds, and allow them to come to a place of hearing Christ's call to Life.

Now the Spirit expressly states that in later times some will abandon the faith to follow deceitful spirits and the teachings of demons, influenced by the hypocrisy of liars, whose consciences are seared with a hot iron. 1 Timothy 4:1-2
