

Newsletter – April 2017

Dear friends

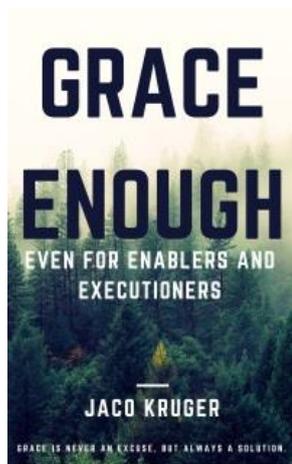

Even with the current political and financial chaos here in South Africa at the moment, we will continue to believe that God is in control.

MINISTRY

- In the [Pray615 initiative](#) we prayed day 673 today, and we know the Lord has a plan for the nations, even when we don't see it fully yet. We are a global group of intercessors covering the globe in prayer together five days a week, but we welcome any [new participants](#) gladly. We believe that the Lord is teaching us all more and more of His heart for the nations as we go along.
- The *home fellowship* (house church family) is doing well and we are pushing more into the “unknown realms” of each other's ideas and feelings around God and Christianity, and in it we grow and change and move forward. We see the Lord speaking much more through prophetic dreams again in 2017, and we know it's part of the revelation expectation the Lord spoke of for this year, expecting Him to speak about the things on His heart.
- The *soaking sessions* we host are challenging us all to just be and let God be God in us, we are hosting the next one Friday 7 April at our home in Centurion South Africa.
- The *prophetic ministry* (poic.org) has been running for 12 years and we share new dreams, vision and revelations as the Lord leads.
- The prayer for the *Jewish nation* is prayed every Monday, and we know the Lord is busy with something, we will not relent until the Lord gives us rest of it, if you wish

to commit to pray this with us every Monday morning via e-mail please [mail me](#) and I will send you the crafted prayer.

- The prayer for *South Africa* is prayed every Friday, we will pray this prayer until we see it come to pass in fullness in our nation, or the Lord indicates that the season for it is over. We will not bow our knee to demonic “bullying”, we will not pray reactively, we will keep praying the Lord’s heart for the nations future. If you wish to commit to pray this with us every Friday morning via e-mail please [mail me](#) and I will send you the crafted prayer.

Ilonka here,

I recently read the scripture: “I put my hope in the Lord”, and I paused ... do I really put my HOPE in the Lord? More even, do I put my hope in the LORD?

Too often we just go with the flow, we live from day to day, life happens and we just continue on the set path, and even though there may be seasons where this is acceptable, I believe that we need to live more intentionally. We need to make a conscious decision to live with HOPE and expectation.

On the other hand, what do I put my hope in? We often start out well and then subtly our focus moves and without realising it we've moved to that religious place where our hope is pinned in our own plans, our own revelations, our own experiences ... or, even worse, someone else's.

So how do I keep my HOPE in the LORD? Maybe by simply walking with God – everyday – continually - no effort, no striving, simply being me and allowing Him to be Him.

God is personal and very intentional. He wove you together in your mother's womb. But even before that, He wove you together in His heart.

May your spirit receive this truth and let it flow through into your thoughts, emotions and body until it overflows into your physical atmosphere, bringing freedom and life.

We also want to encourage you to please send any prayer requests to info@pojic.org that we might stand in agreement with you for God's hand of healing, provision, protection, direction, change, and restoration.

We praise God for His love and faithfulness.

God loves you!

To join the Pray615 Initiative go to (<http://pray615.org>), or send; your e-mail address, name, surname and country of residence; to pray615@pojic.org and we will add you to the Pray615 family.

Do not look down on anything you do for God, it may seem insignificant, but believe me God can do mighty things with the most humble and honest prayers and lives. (Zechariah 4:10)

May you have clear revelation about the Lord's heart concerning things.
