

If you are willing, I am able

If you are willing I am able. No one ever expected you to do this in your own power, just stay willing, I am able.

I am your Strength, your Vision, your Anointing and your Destiny. I am the Only One that will bring all things to you. I am the One that will always love you.

Just stay willing, I am able.

Jaco Kruger – 8/2/2007
