

## Word: Shaking starting in the church

Last night I dreamt of carrying meat mixed with polluted things. I woke up and asked the Lord what this means. Later the morning I went into a time of deep emotional distress, with my emotions greatly affected by the Holy Spirit.

Then I got this message: *"The church in general is gathering to itself perversions as some would gather delicacies. The Lord will come to bring judgement to the church first\*, but many in the church will proclaim it to be 'an attack of the enemy'. Only those who discern right will realise this is from God and it is to shake the church, for she has become polluted like the bed of a prostitute, and only in fire will she be purged."*

\* (1 Peter 4:17)

We must voluntarily ask the Lord to cleanse us, before He comes to do so by shaking.
