

## WHAT DOES THE LOGO STAND FOR ?

- A - White inside the cross.. Purity and perfection - this represents the purity and perfection of Christ, He alone is without sin.
- B - Black outsides of cross .. Death ... Perfection crucified.. Christ had to die to fulfill the promise of our salvation.. but He rose from the grave again to enforce the victory He won.
- C - Red ...Blood ... His Blood that was spilled for us cleansing us of our sin, we could never earn forgiveness, we could never make atonement for our own sin, He had to do it for us.
- D - White in us ... Purity... We are made pure, holy and righteous because of the Blood of the lamb
- E - Gold in us... Glory .. The Glory of God manifested through us.
- F - Black square .. Death .. Represents us dying to ourselves.. C, D and E are given to us as a free gift that we can just take without doing anything other than accepting Christ as our savior but unless we die to self and live for Him the rest is not manifested in our lives and through us to the world.
- G - Blue .. Holy Spirit... This represents the Holy Spirit power being manifest through us as channels of God's kingdom on earth. We cannot do this of our own, it is not us who does anything and we cannot control the Holy Spirit, we just have to be willing and clean vessels and He will use us for His work and to glorify His name.
- H - Purple ... Kingship ... In Christ we reign.. Now and forever more.. He has given us dominion over all the powers of the enemy and the enemy shall by no means hurt us.. In His name we have the power to reign, by ourselves we are nothing but in His name we reign.
